CHRISTIANS IN CRISIS

"An experience your congregation will never forget!"

Featuring: Pastor Wally Magdangal
WHAT WE DO

Christians In Crisis is a ministry with a two-fold purpose. We are here to inspire, challenge, equip and mobilize the followers of JESUS CHRIST to fulfill the Great Commission and to remember the persecuted Christians spread in many countries. Through mission conventions, mission trips, relief projects, and Sunday / Church presentations, Christians In Crisis is igniting a passion in the hearts of people to reach out and touch this world with the love of JESUS CHRIST.

Christians In Crisis serves in the United States and around the world, providing prayer support, advocacy, and working with other ministries to help suffering Christians. CIC Ministry strongly believes that the Gospel of JESUS CHRIST is the only way to salvation. Once preached and heard, the Gospel has the power to change lives, even the lives of those who persecute Christians.

Pastor “Wally” Magdangal

Pastor Wally was imprisoned for pastoring the largest underground church in Saudi Arabia. For this "crime," officials sentenced him to death by public hanging. He survived brutal beatings and torture beyond comprehension. Wally shares a miraculous testimony of God’s release before public execution!
“As I listened to this powerful presentation, I felt humbled, stirred, and challenged all over again. I first met Pastor Wally in Saudi Arabia before his story was known around the world. He is humble, genuine, and inspiring. Every Church needs to be exposed to this dynamic presentation!”

FINANCIAL INFORMATION

Our Policy
Christians In Crisis Sunday / Church presentations work under the
guidelines of missions offerings and honorariums in lieu of contracts
and/or ministry fees. CIC requests that churches understand the
hard costs concerning its presentations, and make every effort
to cover these costs.

Expenses
To make the event presentation a success, expenses incurred by
CIC (e.g., travel, hotel, food) should be covered by the host church
and/or ministry. It is requested that the expenses not be taken out
of the missions offerings and honorarium. Therefore, the sponsoring
church or organization will be responsible for the following:

Travel
Depending on the location of the CIC event, it may be necessary
to fly Pastor Wally, and his wife to the venue. If services are in
close proximity to CIC’s home base or region in which the team
is ministering, we will travel by land. The host church will be
responsible for car rental payments and/or mileage charge (gas)
round-trip from the home base.

Lodging and Meals
The host church/organization will be responsible for hotel
(non-smoking) room(s) and meals throughout the duration of the
event/visit.

Love Offering and Honorarium
We request that the host church/organization receives a missions
offering and provide an honorarium for the CIC speaker/
representative. The honorarium is in addition or separate from the
missions offering which is designated to specific CIC projects.

In no way do we desire to be a burden to any church or
organization. Should there be any concerns regarding the
financial requests, please contact our office.
