Get involved in helping the persecuted

*Support ministries whose efforts are aimed at helping the persecuted.

*Show your love by writing letters of encouragement to the persecuted. Try ... www.prisoneralert.com

*Serve as a voice for the persecuted by expressing your concerns by writing letters to the government officials, both here and to the violating country.

Pray for the persecuted. . . AND for their persecutors

The most powerful weapon we Christians have is *prayer*.

*Pray individually, with your family . . .

*Join or begin a Christians In Crisis House of Prayer everywhere [CIC-HOPe] prayer meeting for the persecuted church.

*Remember to pray for the persecutors, that they will come to know Christ.
